

Dimension of Appearance

Several questions offered by Professor Marsden

The following questions are based on the Concept Overview PowerPoint on the week 10 page and required course material for week 10.

Remember to reflect back on course content (required or recommended) – or – material you've found during a search and linked in the discussion so that other learning community members can read/watch the resource and reflect on it as well.

#1– Look Policies

This week we explored organizational image policies and their impact on employees, particularly non-dominate culture employees. We also reviewed laws associated with look policies.

After reviewing the material listed below – let's interact about the benefit of look policies to the organization – vs – the impact that these look policies can have on the workforce.

What are your reflections on the benefit of look policies to the organization – vs – the impact that these look policies can have on the workforce – particularly on non-dominate culture members of the organization

(age, religion, gender, race)

Make sure to review the Appearance Overview PowerPoint and associated materials to look policies linked to the week 10 page first!

#2 – Prejudice and Discrimination: Similarities and Differences between Issues Associated with Obesity and Issues Associated with Other Dimensions of Diversity

Consider the prejudice, discrimination, and needs associated with people who are obese - in relation to - the prejudice, discrimination, and needs associated with individuals who identify with other dimensions of diversity we've explored in Unit II.

What are the similarities and differences between the challenges of people who are obese in relation to any other dimension of diversity we have studied?
