Atlantic swells form 100-foot walls. Wind shrieks at a maxed-out Force 12. In October 1991 three raging weather fronts – one of them Hurricane Grace – combine to form the greatest storm in recorded history. George Clooney and Mark Wahlberg lead a talented cast in this harrowing special-effects adventure that intercuts the plight of seafarers struggling to reach safe harbor with the heroics of air/sea rescue crews. Directed by Wolfgang Petersen (*Poseidon*), *The Perfect Storm* tosses excitement your way in waves.
